SUBJECT: ISN LETTER OF THANKS TO POLAND PSI PRESENTER

REF: A. STATE 023570
[1](#)B. STATE 069357

[1](#)1. SUMMARY AND BACKGROUND: On May 29, 2008, the United States hosted a Proliferation Security Initiative (PSI) Outreach Workshop in Washington, attended by representatives of 21 countries that have not yet endorsed the PSI, as well as most of the 92 PSI participating states. The workshop provided detailed information on the broad range of PSI activities and tools that have been developed for training, organizing for, and conducting interdictions of shipments of proliferation concern. Lukasz Zielinski, Head of the Nonproliferation Division, MFA, moderated a panel discussion about PSI exercise accomplishments and insights.

[1](#)2. ACTION REQUESTED: Embassy is requested to deliver under appropriate cover the following letter from Acting Assistant Secretary Patricia McNerney to Mr. Zielinski, thanking him for his contribution to the PSI Outreach Workshop. There will be no signed original.

[1](#)3. Begin text of letter:

Dear Mr. Zielinski:

I would like to thank you for introducing and moderating the panel on the Proliferation Security Initiative (PSI) exercise program at the May 29, 2008 PSI Outreach Workshop in Washington, DC. The panel helped to make clear to attendees the benefits of participating in PSI exercises.

I believe the Outreach Workshop was very successful both because it informed states of the many ongoing PSI activities and because it provided states with concrete ways to improve their capabilities to stop WMD-related trafficking. The United States greatly appreciates the significant role that Poland plays in advancing the PSI's goals, including in outreach. We believe that we must continue PSI outreach, both to encourage more states to endorse the PSI and encourage states that have already endorsed to participate more actively. We look forward to continuing our work together in support of the PSI.

Sincerely,

Patricia A. McNerney
Acting Assistant Secretary for International Security and
Nonproliferation,
Department of State
